12<sup>th</sup> symposium on intensive care  
Concertgebouw • Brugge • Belgium

**Dear colleagues,**

We are happy to invite you to the 12<sup>th</sup> International symposium on intensive care, to be held in Brugge on the **9<sup>th</sup> September 2023**. We hope to welcome critical care physicians, anesthesiologists, emergency doctors and fellows with an interest in critical care issues to enjoy the outstanding scientific quality of the program and the historic merits of Brugge. The conference will offer a 2023 update in the main fields of CCI presented by world's leading experts.

Looking forward to seeing you in Brugge.  
The organizing committee.
